

## ROYAL ST. KITTS HOTEL

The Royal St. Kitts is situated in Frigate Bay, a short walk to picturesque North Frigate Bay Beach. With convenient access to beachfront dining and dancing along 'The Strip', as well as an 18-hole championship golf course and casino just steps away, The Royal St. Kitts is at the centre of the action.

The newly renovated one and two bedroom units offer state of the art furnishings, and provide either a beautiful lagoon or golf course view for you to enjoy from your private balcony. These full ownership turnkey units are just a ten minute drive from Robert L. Bradshaw International Airport and provide access to all the amenities the Royal St. Kitts Resort has to offer, including two swimming pools, beach access, fitness centre, tennis courts, and much more.

With phase I complete and phase II to be completed by the summer of 2015, all units qualify for the Citizenship-by-Investment program and also offer a full rental lease back option for your convenience.
